10. **Boats and Motors:** All boats must meet B.I.A. and Coast Guard requirements; House boats, barges or other cumbersome crafts are not allowed at the Tournament Directors discretion. All boats must be equipped with an operable ignition emergency shutoff lanyard, "Kill Engine Switch" device. Each boat is required to have a properly aerated live well adequate to maintain alive, a limit catch of bass. Running lights, if required by PTA, must be operational at take-off.
11. **Tackle, Equipment and Umbrella Rigs:** Only artificial bait or lures may be used. Pork style baits are allowed. No live bait or prepared bait allowed. All bass must be caught using rod and reel and only one rod and reel allowed in the water per student angler at one time. If student angler breaks his/her line while setting the hook or retrieving a fish, he/she is allowed to make an attempt with the rod or with hands to secure the visible line and land the fish. Youth Anglers/boaters may not leave the boat to land a fish. Trolling is not allowed. Underwater cameras are not allowed during competition hours. Snagging bass off spawning beds is not allowed and any bass caught off a spawning bed must be hooked inside the mouth or it must be released immediately. All bass must be caught alive and on rod and reel. Umbrella rigs or A Rigs are not allowed. **All multi armed baits and umbrella rigs are banned** regardless of materials used in construction with the exception of **two arm spinnerbaits and buzz baits** which are allowed, provided the arms are no longer than five inches from the "R bend" or line tie to the end of the wire. **Only spinner blades may be attached to the wires, (no teaser baits).** Arms must be above the main body/hook of the bait. **Donkey Rigs are allowed.** Use of prohibited rigs and baits will result in immediate disqualification from PTA events. **Any bait in question should be presented to PTA Officials prior to competition and all rulings by PTA Officials are final.**
12. **Competition Periods:** Tournament hours begin as listed on the schedule unless changed by tournament director. The tournament director reserves the right to change tournament hours if need be. Youth Anglers/Boat Captains must know and observe the official times, dates and rules. During tournament hours, Youth Anglers/Boat Captains may not participate in the practice of hole sitting or follow another competitor's boat to fishing locations. No wake zones and no fishing zones on all lakes must be observed. **Cell phones are for emergency use only.** Youth Anglers/Boat Captains, Coaches/Sponsors may not use any mobile communication devices to communicate with anyone about locating or catching fish on tournament waters during tournament hours. Mobile communication devices may be used during tournament hours to communicate with the tournament director/officials. Boat Captains may use cell phones for business or personal use not related to fishing information. Cell phones may be used to take pictures of fish during tournament hours but **may not** be posted to social media or texted during tournament hours on the water.
13. **Permitted Fishing Locations:** Fishing on tournament waters is permitted anywhere available to the public and accessible by boat except; within 50 yards of a public gas pump or any docks attached to, or within 50 yards of the commercial gas docks, or 50 yards of another competitor's boat which was first anchored or secured in a fixed position unless that competitor specifically allows any and all tournament boats the right to fish with in the 50 yard radius claimed by him/her; within any "off limit" or "no fishing" area designated by local, state or federal agencies. Core of Engineers Lakes in the White River chain have specific "off limits" in and around concession areas, marinas and commercial docks. Any other off limit no fishing areas will be announced at the pre-meeting take-off or on the website for launch anywhere tournaments.
14. **Special Situations/Break Downs:** Youth Anglers/Boat Captains may not depart the boat to land fish or make the boat more accessible to fishing waters. Youth Anglers/Boaters must leave and return to the official check in point by boat unless the lake has been designated as a launch anywhere site. In the event of a boat breakdown, one or both Youth Anglers may be removed from boat into another competitor's boat or a rescue boat. It is the sole responsibility of the Youth Anglers to transfer and keep their fish separated. The fish must be placed in a segregated live well and at least one of the participating Youth Anglers must accompany those fish at all times to the weigh-in site. Must notify a tournament director when appropriate.
15. **Take-Off Announcement & Inspection:** If all boats are taking off from one place, pre-take-off announcements start 10 minutes before take-off. Boats take-off in order of assigned number and flight. No boat allowed to leave until your number has been called and you idle by with operable ignition emergency shutoff lanyard, "Kill Engine Switch" attached and live well lids open. No boat leaves take-off with a faulty kill switch. Running lights must be in and working unless tournament director has instructed no lights. Life Jackets must be fully zipped/snapped and secured when boat number is called, or you will be sent to the end of the tournament take-offline.

16. **Launch Anywhere Tournaments:** If the tournament is a launch anywhere event, you may launch your boat anywhere on tournament waters and run to your first fishing spot. You may not make a cast until your “designated time” determined by flight times. **No Trailing to the Weigh-In, must motor by boat to the weigh-In.** It is your responsibility to be at the weigh in/check in on time. You may only fish on tournament waters.
17. **Check In/Weigh In:** Check in site will be determined by PTA tournament director. Check in instructions for off water weigh in sites will be explained on PTA website before each event. All boats will identify themselves at the check-in site by means of boat number and proceed immediately to the designated weigh in area to weigh fish. **Check in Procedure:** Before weighing in fish, teams must report to the “check in tent”. Teams will identify by boat number and receive a weigh in card with names and boat number on the card. Teams must have weigh in card before being allowed to weigh in any fish. It is the student angler’s responsibility to know your boat number.
18. **Scoring:** Largemouth, Smallmouth, Spotted “Kentucky Bass” and Meanmouth “Red Eye” are counted. Five fish per team may be weighed in at each event. The official length limit will be determined by the Tournament Director and announced before the tournament. Bass should measure on a flat board with mouth closed and the tail of the fish must touch the legal length line to qualify. A **SHORT FISH** results in a complete loss of your weight for the day. A dead fish results in a one (1) pound penalty per fish. At no time during tournament hours shall a boat possess more than a 5-fish limit or weigh in more than a 5-fish limit. Anyone bringing more than five (5) fish to the weigh in scales will not be allowed to weigh in any fish. All fish must be brought to the scales in an official weigh-in bag. **A dead fish may not be weighed in for big bass.**
19. **Culling:** Culling must be done immediately. Youth Angler or Boat Captain may put 6th bass in the live well before getting the cull fish out of the live well as long as the cull fish comes out immediately after doing so. **You may not cull a dead fish and all fishing must stop until culling is complete.**
20. **Late Penalty:** If late to check in, a team’s weight will be disqualified for that day and they will not be allowed to weigh in their fish.
21. **Ties:** If a tie occurs, PTA Officials will combine and divide equally the prizes between the spots that are tied. Any trophy position shall be decided by entry position on ties.
22. **Points:** Each paid registered team receives **100** points at each event. Points start at **400** for 1st place and descend 1 point for each place dropped. Each team receives fish weight as points. Points earned remain with the team for TOY points and championship eligibility during the season.
23. **TOY Award “Team of Year: \$1,000 (\$500 Cash/\$500 Scholarships):** The most points accumulated over a team’s regular season tournaments and the Championship will determine the “TOY Award”.
24. **Championship Qualifications:** from qualifying events in your Division, you must finish in the top **(40%)** of the field in points, to qualify for the Championship. All final decisions will be made by Tournament Director.
25. **Payback:** 70% payout of all paid entries. One (1) Place paid for every five (5) paid entries. To a maximum of (20) Places. Two Big Bass Awards. 1st \$200 Gift Cards/2nd \$100 Gift Cards.
26. **Championship Paybacks: Missouri: \$10,000/ CASH: \$6,000-1st \$2,500/2nd \$2,000/3rd \$1,000/4th \$500**
* **Scholarships: \$4,000 -1st \$1500/2nd \$1,200/3rd \$800/4th \$500**
27. **Quality Assurance Testing:** By his/her signature on entry form and/or participation in the PTA tournaments, Youth Anglers or Boat Captains agree to any quality assurance test if required by the Tournament Director. They may include all or part of the following: CVSA, Polygraph, Urinalysis, or Blood test. Refusal of any angler or boater to submit to the test will result in the loss of winnings, immediate disqualification, plus subsequent disqualification from future tournaments.
